OFFICE OF THE
GENERAL COUNSEL

Re: MUR #6648

We are writing in response to the above-referenced complaint filed by the Arkansas Republican Party.

We fully acknowledge the violations set forth in the complaint. We request the adoption of a Conciliation Agreement based upon the following facts:

1. Upon receipt of the complaint, the Gene Jeffress for Congress Campaign IMMEDIATELY suspended distribution of any and all campaign materials that were covered in the complaint (distribution had been made at only one event on the day the complaint was brought to our attention).
2. Before FURTHER distribution was made, ALL remaining materials were corrected by the application of decals which contained the proper disclaimer information. (See the attached photos).
3. The Gene Jeffress for Congress Campaign has run (and continues to run) a minimal campaign due to a dearth of funding. The candidate himself performs all of the jobs usually accorded to a campaign staff with a large budget and has been stretched thin throughout the campaign. The Campaign realizes this is not a proper excuse, but it is presented as mitigating evidence for why the infraction occurred.

With these the known facts, we agree that the Gene Jeffress for Congress Campaign was in violation of the Federal Elections Campaign Act of 1971.

In addition, we ask to receive the minimum penalty for this offense due to the facts that few materials had been distributed prior to the complaint, that the problem was corrected within 24 hours of receipt of the complaint, and that no materials were disseminated after the complaint was filed until the problem was corrected.

Sincerely,

Allen Searcy, Treasurer
Gene Jeffress for Congress

Gene Jeffress
Candidate for Congress
